Please help support your interior public radio station the week of October 9th. You can call in your pledge 1-800-605-KSKO (5756) or 524-3001 from 8:00 a.m.- 4:00 p.m. If you would like to volunteer during this time come on down and join the fun! Call your friends ahead of time and let them know you will be on the air. Business are welcome to come on down as well and give away some of their own "swag or goodies" as an extra incentive during your time on the air. Let the listeners know you care about KSKO!

Your KSKO Membership allows KSKO to continue:

- *To be a part of the in interior communities
- *To air your messages and music requests
- *To bring you local, Alaska and NPR news
- *To bring you live interviews, entertainment and weather

In a society that has moved toward streaming we don't always have the luxury of internet in Rural Alaska, but we DO have access to the radio.

Why do we need your support? The state has decreased our funding, we pay over \$800 a month to repeat KSKO in our listening areas such as Grayling, Shageluk, Holy Cross, Anvik, and soon Nikolai, that is over \$9,000. Programming costs are over \$20,000. \$XXXXX in technical support. Your membership not only helps with these costs, but shows our funders that our listeners care and it's worth their investment.

Yes, I can help out. Please bill me all at once/quarterly/in two payments.
